SUMMARY

I am a recent B.Tech graduate in Computer Science with a strong interest in software development and a passion for learning new technologies. I want to start my career in a challenging and growth oriented environment where I can apply my technical skills, contribute to real-world projects, and continuously improve as a developer. I am eager to join a company where I can grow both personally and professionally

PROJECTS

Stock Market Prediction

📅 06/2024 - 02/2025

Stock Market Prediction application

- Developed a Stock Market Prediction application using Python and machine learning techniques
- Analyzed historical stock data and predicted future trends
- Incorporated data preprocessing and model training
- Provided insight into stock price movements with a user-friendly interface
- Utilized a hybrid model of machine learning algorithms including LSTM and Random Forest

Pill Remainder Application

📅 06/2023 - 12/2023

Pill Remainder web application

- Designed a web-based application to help users track their medication schedules
- Monitored pill consumption and provided timely reminders
- Automatically updated the pill count and alerted users for refills
- Benefited users managing multiple medications.
- Tech Stack: Python, HTML, CSS, JS, Firebase

EXPERIENCE

Intern (Data Structures and Algorithms)

Innovate Intern

📅 08/2024 - 10/2024

Internship focused on Data Structures and Algorithms

- Applied core Data Structures and Algorithms concepts using Java.
- Worked with arrays, linked lists, stacks, and queues to manage data
- Implemented algorithms like searching and sorting to optimize application performance
- Improved efficiency of problem-solving and algorithmic thinking.
- Contributed to building scalable features in the projects

STRENGTHS

Analytical Skills

Ability to analyze data and develop strategies

Problem Solving

Problem-solving skills to provide solutions to complex problems

EDUCATION

B.Tech in Computer Science and Engineering

Gitam University

📅 08/2021 - 06/2025
📍 Vishakhapatnam, India

GPA
7.42 / 10

TSBIE

Narayana Junior College

📅 06/2019 - 03/2021

MARKS
920 / 1000

SSC

Sri Chaitanya Techno School

📅 07/2018 - 03/2019

GPA
9.0 / 10

SKILLS
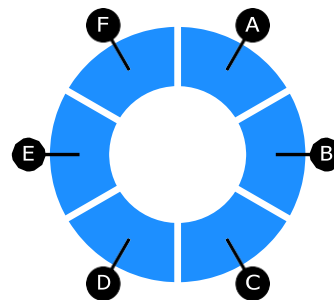

PYTHON, SQL, HTML, CSS

CERTIFICATES

CERTIFICATIONS

Structured Query Language (SQL) – IBM
Machine Learning Foundations – Duke University
Data Structures in Java – IBM

MY TIME

- DSA
- SQL
- PYTHON
- HTML
- GIT HUB
- JAVA SCRIPT
